

Health & Safety Policy

General Statement of Intent

The management of Flooring Solutions recognises its Health & Safety duties and obligations under the Health & Safety at Work Act 1974 and to that end we are fully committed to promoting and the implementation of safety working on all our sites.

We constantly review and seek advice from the Health & Safety Executive in order to keep up to date on new legislations.

We propose always to comply with our statutory duties towards our employees and subcontractors under the Health & Safety at work act, and in particular, as far as is reasonably practicable to:

- Provide and maintain a safe place of work under our control, without risk to health or injury, including safe access and egress
- Provide and maintain safe plant, machinery, and appliances, safe systems of work and a healthy working environment
- Provide such information, training, supervision and instruction as may be necessary to promote awareness and understanding of Health & Safety throughout the workplace
- Ensure safety and the absence of health risks when handling, storing, or transporting articles and substances

We comply with our statutory duty to keep an accident book which is available for inspection by an Inspector of the H&S Executive.

Flooring Solutions is mindful of its legal responsibilities and duties in implementing all requirements placed upon them by Health & Safety legislation, Approved Codes of Practice and Good Works Practice, and to that end co-operate fully in the implementation and maintenance of the above, including the following:

- Employers Liability Act 1969
- Fire Precautions Act 1971
- Health & Safety (First Aid) Regulations 1981
- Noise at work Regulations 1989
- Electricity at Work Regulations 1989
- Manual Handling Regulations 1992
- Workplace (Health & Safety Welfare) Regulations 1992
- Provision & Use of Work Equipment Regulations 1998
- Health & Safety (Display Screens) Regulations 1992
- Management of Health & Safety at Work Regulations 1999
- PPE at Work Regulations 1998
- CDM Regulations 1994
- COSHH Regulations 1999
- Lifting Operations & Lifting Equipment Regulations 1998

Flooring Solutions recognises its duties towards the general public, its customers, and all lawful visitors to its premises. All these persons must abide by and adhere to any requests regarding Health & Safety made to them by us.

This policy has been prepared to comply with the Health & Safety at Work Act 1974 and will be reviewed at regular intervals and revised if required.
